ACTION: Notice of 3rd Comment Period
Title 28, California Code of Regulations

SUBJECT: General Licensure Requirements, Adding New Section 1300.49 of Title 28,
California Code of Regulations, Control No. 2017-5220.

PUBLIC PROCEEDINGS:

Pursuant to Government Code section 11346.8(c) and California Code of Regulations, Title 1, section 44, notice is hereby given that the Director of the Department of Managed Health Care (“Department”) is making available to the public the text of the modified regulation, General Licensure Requirements, adding section 1300.49, in Title 28, California Code of Regulations. *There are no modifications to the text of the regulation during this comment period. Only the form has been modified. Please note: Modifications to the form are noted by italicize underline and italicize strikethrough. The Department has also amended its original Initial Statement of Reasons to contain an updated Economic Impact Analysis.*

The modified text is the result of information received during the second comment period that lasted 15 days and ended on April 5, 2018. The Department determined that the noticed changes are sufficiently related to the original text so that the public was adequately placed on notice that the changes could result from the originally proposed regulatory action.
